PERSONAL

Name:	Remmelt Boele Brink
Date of birth:	march 17, 1974 / Gasteren
Nationality:	Dutch
LinkedIn	nl.linkedin.com/in/remmeltbrink

PROFILE

In my work, technology and design intersect. I feel comfortable in a multidisciplinary team and I try to build bridges between these fields of interest. I can be very loyal to a team, but I do have an opinion of my own. My style can be described as, T-shaped, creative, yet pragmatic and above all serving. I tend to work precise and thorough.
